

DR. MILEN VRABEVSKI

Dr. Milen Vrabevski is one of the most successful Bulgarian businessmen and innovators. An entrepreneur, investor, philanthropist, and patron of the arts, he is guided by the belief that the best way to predict the future is to create it.

Dr. Vrabevski is the founder, owner, and Chief Executive Officer (1995–2023) of the largest full-service contract research organization (CRO) in Southeast Europe, specializing in the development, management, and oversight of research and development projects in clinical medicine, with operations in over 35 countries across Europe, Asia, North America and South America.

Since 2015, he has been the founder, owner, and CEO of Comac Investments Holding, which owns the Educational Complex "Tsar Simeon Veliki", the Lux Fly Private Airline, Intelligent Music Production House and other ventures.

He is the founder of the Bulgaria Memory Foundation.
